Iowa Veterans Home Sponsors Race Day

Residents and staff of the Iowa Veterans Home enjoyed "Race Day" sponsored by the R.E.A.L. (Recognizing Employees Achievements and Loyalty) Committee on July 23rd. Several cars from local raceways, as well as the pace car from the Iowa Speedway, were displayed. A fundraising lunch was served by R.E.A.L. Committee members; the menu included jumbo hot dogs, baked beans, chips, cookie, and a drink. Tickets were sold for raffle prizes, with the grand prize being two tickets to the NASCAR AMP 500 Race at Talladega on October 5th.

IVH Resident Floyd Patton say, "We'd love to have more cars next year, but I think it's a great thing when the community participates in an event like this. It brings out residents that might not otherwise do so."
